

# Tuesday Trumpet

**Emanuel Redeemer Lutheran School**

**March 9<sup>th</sup>, 2010**

We hope and pray that God continues to bless our students and their work along with the families that support them. Let's keep up the good work!

The following are general areas of study this week:

- **Math:** Kindergarten will do adding and has now started the first grade math book. Second grade is studying plane shapes. Fourth grade will learn about multiples and factors. Fifth grade is learning fractions. Seventh grade will move on to studying probability. Eighth grade is working with solving equations.
- **Christ Light:** Kindergarten is learning about Samuel. Second and fourth grade will study Ruth.
- **Reading:** Second grade will read about "The City Mouse and the Country Mouse." Fourth and fifth grade will write a description paper. Seventh and eighth grade will read about Sojourner Truth.
- **Music:** None
- **Geography:** The students will study the Middle East.
- **History:** Kindergarten is studying the rainforest. Second grade is learning about different holidays and will move onto geography. Fourth and fifth graders will take a test. Seventh and eighth graders will study Ancient Greece.
- **English:** Second graders will start a research report. Fourth grade is learning about nouns. Fifth grade will talk about different types of nouns. Seventh and eighth grade will talk about different parts of a sentence.
- **Health:** Fifth through eighth graders will talk about fitness.
- **Spelling:** Second – fifth grade are on Unit 28. Seventh and eighth grade are on Unit 25. They will take a test Friday.
- **Phonics:** The kindergarten class will continue with the letter 'R' and then move onto 'N'. We have been practicing a lot of spelling words in our phonics books and center activities. We will start to work on vowel pairs as well. We have already look at OU/OI, OW/OY, AI/AY, and EE/EA/EY. They did very well. If you would like anything to work on at home with them, please let me know.
- **Science:** Kindergarten will be working on plants. Second grade will move onto Earth Science. Fourth grade will study the human body. Fifth grade will study ecosystems. Seventh and eighth grade will take a test on earthquakes and start the study of volcanoes.

May God always bless our studies.

## **NEWS & NOTES**

### **Important Homework Dates**

Once again, I will be making a section in the Tuesday Trumpet which lists certain "bigger" projects, tests, or quizzes. This is to help you better know what bigger assignments your students may have.

### **Monday, March 22<sup>nd</sup>: 5-8 Geography Group Project**

#### **Cleaning**

The Lorf family will be cleaning this weekend.

#### **Chapel Reminder**

Just a reminder that there is chapel this week.

**Singing in Church**

Thank you to the kids for singing their beautiful praises to our God in church.

**Calendar of Events**

Friday, March 26<sup>th</sup> ..... Field Trip to MLS @ 7am.  
Friday, March 26<sup>th</sup> ..... No Afternoon Bus
